Gentlemen:

The Atomic Energy Commission has issued a Draft Environmental Statement related to the facility identified in the enclosure to this letter.

Three copies of the Draft Statement are enclosed for your use. Also enclosed is a copy of a notice of availability which has been forwarded to the Office of the Federal Register for publication.

Sincerely,

Original signed by
Daniel R. Muller

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is crucial for ensuring the integrity of the financial system and for providing a clear audit trail.

2. The second part of the document outlines the specific procedures for recording transactions. It details the steps involved in entering data into the system, from initial verification to final posting.

3. The third part of the document addresses the challenges associated with data entry and storage. It discusses the need for robust security measures to protect sensitive information and the importance of regular backups to prevent data loss.

4. The fourth part of the document provides a summary of the key points discussed and offers recommendations for improving the efficiency of the recording process.

5. The fifth part of the document concludes with a statement of intent to implement the proposed changes and a commitment to ongoing monitoring and evaluation of the system's performance.

6. The final part of the document includes a list of references and a bibliography of sources used in the research and development of the system.

UNITED STATES ATOMIC ENERGY COMMISSION

DOCKET NOS. 50-275 AND 50-323

NOTICE OF AVAILABILITY OF APPLICANT'S

ENVIRONMENTAL REPORT, SUPPLEMENTAL ENVIRONMENTAL REPORTS, AND AEC DRAFT
ENVIRONMENTAL STATEMENT FOR DIABLO CANYON REACTOR UNITS 1 AND 2

Pursuant to the National Environmental Policy Act of 1969 and the Atomic Energy Commission's regulations set forth in Appendix D to 10 CFR Part 50, notice is hereby given that documents entitled "Applicant's Environmental Report and Supplement No. 1 through Supplement No. 3 to Environmental Report" (collectively known as the "reports"), submitted by the Pacific Gas and Electric Company have been placed in the Commission's Public Document Room at 1717 H Street, N.W., Washington, D. C. and in San Luis Obispo County Free Library, 1354 Bishop Street, San Luis Obispo, California. The reports are also available at the Office of the Lieutenant Governor, Office of Intergovernmental Management, 1400 Tenth Street, Room 108, Sacramento, California.

Notice of availability of the applicant's Environmental Report was published in the Federal Register on January 4, 1972 (37 F.R. 28).

The reports have been analyzed by the Commission's Directorate of Licensing, and a Draft Environmental Statement related to the proposed continuation of Construction Permit No(s) CPPR-39, CPPR-69 for the Diablo Canyon Reactor Units 1 and 2, located at Pacific Gas and Electric Company's site in San Luis Obispo County, has been prepared and has been made available for public inspection at the locations designated above. Copies of the Commission's

Draft Environmental Statement may be obtained upon request addressed to the United States Atomic Energy Commission, Washington, D. C. 20545, Attention: Deputy Director for Reactor Projects, Directorate of Licensing.

Pursuant to Appendix D to CFR Part 50, interested persons may, within thirty (30) days from the date of publication of this notice in the FEDERAL REGISTER, submit comments for the Commission's consideration on the Report and Supplements, on the Draft Environmental Statement, and on the proposed action. Federal and State agencies are being provided with copies of the Draft Environmental Statement (local agencies may obtain this document on request), and when comments thereon of the Federal, State and local officials are received, they will be made available for public inspection at the above designated locations. Comments on the Draft Environmental Statement from interested members of the public should be addressed to the United States Atomic Energy Commission, Washington, D. C. 20545, Attention: Deputy Director for Reactor Projects, Directorate of Licensing.

Dated at Bethesda, Maryland, this 7th day of December 1972.

SURNAME ►						
DATE ►						

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes the need for transparency and accountability in financial reporting.

2. The second part of the document outlines the various methods and techniques used to collect and analyze data. It includes a detailed description of the experimental procedures and the statistical analysis performed.

3. The third part of the document presents the results of the study. It includes a series of tables and graphs that illustrate the findings of the research. The data shows a clear trend in the relationship between the variables studied.

4. The fourth part of the document discusses the implications of the findings. It highlights the potential applications of the research in various fields and the need for further investigation.

5. The fifth part of the document concludes the study. It summarizes the key findings and provides a final statement on the significance of the research.

[illegible]

1. The first part of the document is a list of names and addresses, which appears to be a directory or a list of contacts. The names are written in a cursive script, and the addresses are listed below them.

2. The second part of the document is a list of names and addresses, which appears to be a directory or a list of contacts. The names are written in a cursive script, and the addresses are listed below them.

3. The third part of the document is a list of names and addresses, which appears to be a directory or a list of contacts. The names are written in a cursive script, and the addresses are listed below them.

4. The fourth part of the document is a list of names and addresses, which appears to be a directory or a list of contacts. The names are written in a cursive script, and the addresses are listed below them.

5. The fifth part of the document is a list of names and addresses, which appears to be a directory or a list of contacts. The names are written in a cursive script, and the addresses are listed below them.

6. The sixth part of the document is a list of names and addresses, which appears to be a directory or a list of contacts. The names are written in a cursive script, and the addresses are listed below them.

7. The seventh part of the document is a list of names and addresses, which appears to be a directory or a list of contacts. The names are written in a cursive script, and the addresses are listed below them.

8. The eighth part of the document is a list of names and addresses, which appears to be a directory or a list of contacts. The names are written in a cursive script, and the addresses are listed below them.

9. The ninth part of the document is a list of names and addresses, which appears to be a directory or a list of contacts. The names are written in a cursive script, and the addresses are listed below them.

10. The tenth part of the document is a list of names and addresses, which appears to be a directory or a list of contacts. The names are written in a cursive script, and the addresses are listed below them.
